1. For stay behind information nets in case of hostilities will explore possibilities exploiting German Trade Unions by discreetly approaching [redacted] who dropped amicably by [redacted] in November of 1948.

2. Lack of communications to German T.U.'s painful to [redacted] during World War II and believe our proposal to equip and train Vultures would be welcomed by him.

3. At later date it may be feasible, if [redacted] evinces desire to cooperate and if you concur, that in addition and only in case of hostilities that he create a small trust circle who could handle clandestine T U intelligence activities.
